

FUZION-EX with panels removed for three-sided viewing

The FUZION-EX by Forge & Flame is the easiest way to add instant heat and ambiance for the perfect balance of a relaxing, revitalizing fire for small spaces.

With 100% efficiency, this freestanding electric stove provides a hassle-free glow to your space. Flexible enough to install anywhere there is a 120V outlet, the FUZION-EX can be placed on any level surface.

Enjoy warmth, just the way you like it. Complete with customizable, realistic flames, the FUZION-EX offers a view from three sides, four flame options and thirteen ember-bed colors to complete any gathering space.

Choose realistic logs and orange flames for a traditional look and feel

Customize the look with a glass ember bed with 13 color options and 4 flame color options

Adjust the thermostat, set a timer, or change the flame and ember bed color with the included remote

# FUZION-EX

**Customizable:** Transform your space with customizable flames, mesmerizing ember colors, and a panoramic three-sided view.

**Efficient:** 100% efficient heat with 5,000 BTUs to warm those smaller spaces.

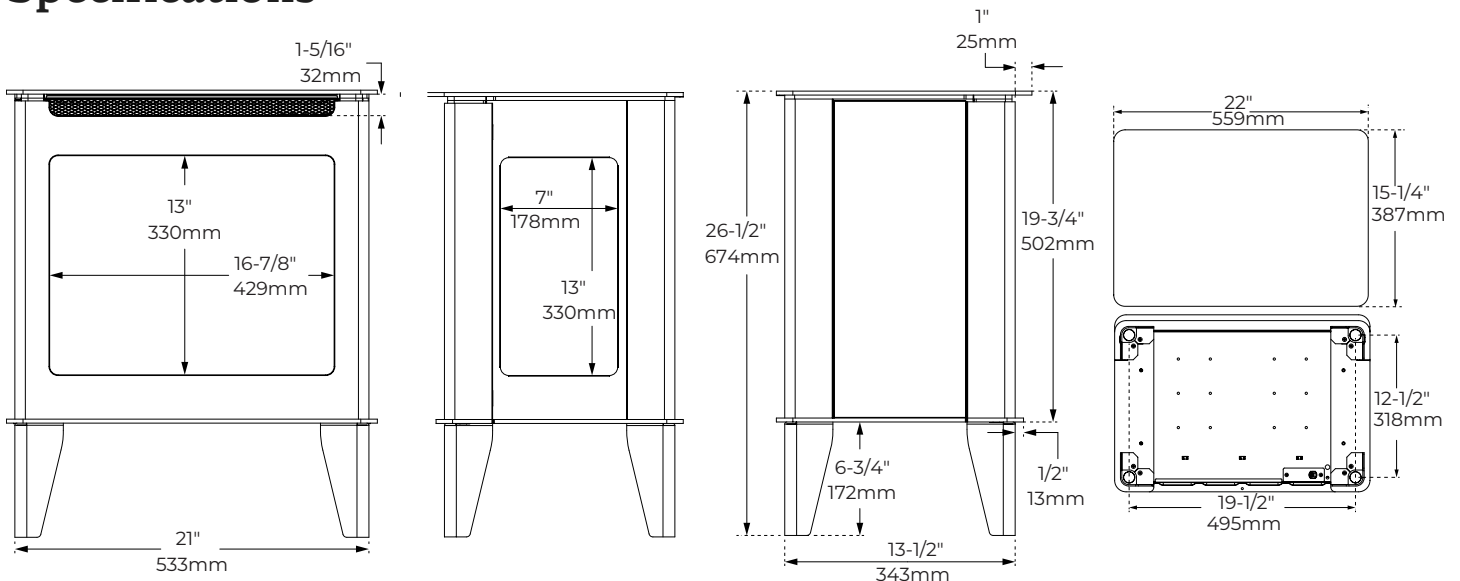

**Easy Installation:** No venting or gas lines. Install anywhere in your home within easy reach of an outlet.

**Beautifully Crafted:** Steel construction gives you the feel and durability of a wood or gas stove.
